

A lively scene even at night.

The **ONE** and **ONLY**

1 Utama Shopping Mall is a definite must stop when you're in the Petaling Jaya vicinity of Selangor. The whys are obvious with this swanky mall.

This award winning shopping centre has already achieved many industry firsts such as a Sky Mall and tropical Rainforest with a suspension bridge. Little left to wonder, this very intelligently built mall covers several wings which house different little nooks and crannies, all to whet your shopaholic appetite.

Dining made easy.

Branded goods are available here.

Convenience At Its Best

Situated in the heart of Selangor and surrounded by prime residential areas like Petaling Jaya, Damansara, Bangsar, Mont' Kiara and Taman Tun Dr Ismail, it only takes 15-minutes or less to travel to the shopping centre. If you're coming from Kuala Lumpur, 20 minutes is all it takes. 1 Utama is also linked to major highways like LDP, Sprint, Penchala, Kerinchi Link and Federal, making the journey here a breeze.

Parking bays are conveniently divided into different zones so you can park at a location nearest to the zone where you will be shopping. With a total of more than 7,000 car park bays, shoppers can opt to park at the multi-storey car park, open-air Dataran or Promenade car parks.

Vast Attractions

Spanning 6 retail floors spread over 5 million sq ft, the premier lifestyle and entertainment

mecca already attracts millions of visitors each year. Shoppers will find blue-chip department stores, speciality attractions and entertainment galore - combining over 600 shops for a great day out.

The Highlight

With Malaysia being so abuzz of late with high fashion, comes a calling for highstreet stores and upper end wear. 1 Utama quickly latches on to this neediness in the industry with edgy fashion and the latest collections to boot.

Fittingly, here at the Highstreet wing, the best fashion boutiques reside. Featuring world-renowned labels, every step is your runway to a whole new level. Use Highstreet as your guide to the season's hottest looks - as it takes your shopping experience to a whole new level.

Many international brands have chosen 1 Utama's Highstreet to launch their first flagship store in Malaysia such as Calvin Klein, Tommy Hilfiger, Brooks Brothers, French Connection, Lacoste, Warehouse, XOXO, Caractère, Forever 21 and Gap.

Highstreet is also home to other fashion household names such as Zara, Guess, TopShop and Dorothy Perkins. Not one to leave the little younglings out, here is where you'll find Gap for Kids, Oshkosh B' Gosh and Guess Kids.

Looking for something to do? Oval is where the action is. Whether it's an international fashion show, a grand fashion or beauty launch, showcase of products or a celebrity meet-the-fans session, this hub is always bustling with activities that you can participate in.

Fashion shows at the concourse area here create a frenzy and sets trends to follow. Here is where you take notes on your must-haves, and conveniently scoot off to make your purchase right there and then.

Oval is proudly one of the largest

At one with nature, within the sprawling 1 Utama complex.

Flora and fauna with real forest trees and flowering plants.

promotional spaces offered in a shopping centre in Malaysia. Measuring over 5,000 sq ft in area size, Oval offers complete flexibility for a variety of events. Its distinct architectural shape also lets it stand out effortlessly.

At One With Nature

And while you're at burning plastic, what's so cool about this mall is that you can immerse yourself in the idyllic scene of lush greenery and the colours of nature. Breathe the fresh air from the Rainbow suspension bridge and be awed by the sight beneath you.

A first-in-Malaysia feature, the Rainforest houses over 100 species of flora and fauna, with real forest trees and flowering plants – giving you a chance to appreciate Mother Nature and her creations. Watch the world go by over a cuppa and go alfresco by dining at the various cafés and restaurants surrounding the zone. Choose from Asian to Western fare to savour amidst this green paradise. Either way, things will never be the same again.

The unique circular dome-like design offers a sweeping view.

Soon To Come

To top the notch, 1 Utama is now complemented with a 5-star, One World Hotel newly launched this year. Visitors will find the hotel-mall combination works as

a getaway of sorts with the mall being so self-contained. Nothing works better than a pampering, spoiling retreat even if only for the weekend filled with spas, breakfast in bed and shopping sprees.
